Dear Mr. [REDACTED],

I would like to take this opportunity to thank you for your generosity in funding the Sylvia Yam Memorial Intermediate Vocal Concert Group Scholarship that I recieved this year at the Regina Music Festival. I feel very fortunate to have been selected as the recipient of this award. It means a lot to me to see that generous people like you are making an effort to show your support for music. Your support is greatly appreciated, and I am very thankful. I will continue to work hard in my music studies and become a better musician. Thankyou again for all you do.

Sincerely,
Jasmine [REDACTED]

In May of this year I was awarded the Sylvia Yam Scholarship. I am grateful to you and your family for providing this scholarship and feel very honored to receive it. The money from the Scholarship will be used to purchase music for my studies this year, as I will be continuing with my grade 8 voice. Thank you very much.
